

# VISUAL COMPOSITION

# Digital Driving Test

Estimated Time

1 class

You must score 100% on this test before you can use the equipment without supervision.

## Procedures

Ask your teacher or otherwise determine:

1.  Where is the equipment stored?
2.  Where is the equipment sign-up?
3.  What responsibilities are associated with using the equipment?
4.  How long is equipment allowed to be signed-out for?
5.  When does class end?
6.  Are you allowed in the hallways during class time?
7.  What rules and expectations are associated with leaving class?
8.  What rules are associated with responsibility, behaviour, and content?

## Equipment

Demonstrate the following to your teacher:

1.  Name the equipment.
2.  Remove the equipment from the case.
3.  Demonstrate the proper way to hold the equipment.
4.  Attach the equipment to the tripod.
5.  Record audio/video/photo.
6.  Delete files using the interface on the equipment.
7.  Store equipment.
